**PROCEDURAL ORDER**  
**RE: THE RENEWED INDIVIDUAL**  
**MOTIONS TO DISMISS**

June 11, 2008

Saris, U.S.D.J.

Defendants have renewed previously filed individual motions to dismiss the New York City and New York Counties' consolidated complaints. (See, e.g., Document Nos. 4372, 4374, 4386, 4389, 4390, 4391, 4402, 4385, 4388, 4435). The parties shall file a status report within ten (10) days outlining which motions still need a ruling. Given the complexity of the docket and the spate of recent filings, the parties shall provide a docket number for any amendment of a pleading or termination of a party, which renders a pending motion moot or which changes the nature of the dispute.

S/PATTI B. SARIS  
United States District Judge
